

THE REMIX

DAN PEARCE

Dan Pearce invites us to rethink the familiar versions of our cultural touchstones with his striking and subversive artworks.

The Remix presents a playful yet thought-provoking series of comments on the most famous faces of our time, inviting us to reassess some of the images, people and ideas we see every day.

Pearce's artwork is owned by a plethora of stars including Rag'n'Bone Man, 50 Cent and a host of Premiership footballers, making him one of the UK's most talked about and collectable contemporary artists. His specially commissioned portrait of Anthony Joshua hangs above the boxing ring at the heavyweight champion's training camp. He has been exhibiting his artwork since 2013 throughout the UK as well as internationally, at venues including Tramp private members club in Mayfair.
