

A vibrant aurora borealis (Northern Lights) display in shades of green and blue, set against a dark, starry night sky. Below the aurora, a range of rugged, snow-capped mountains stretches across the horizon. In the foreground, a calm body of water reflects the colors of the sky and the mountains. The overall scene is serene and majestic.

# SPEC TRUM

This new collection celebrates the beauty of the skies with original paintings and limited editions capturing the otherworldly and elusive aurora borealis, alongside an array of breathtaking landscapes through which Philip has travelled on his 'extreme art' adventures.

Philip's powerful paintings have won him an impressive range of awards, media coverage and celebrity collectors. He is also in demand as a painting performer and raconteur, and his live painting shows have amazed and delighted audiences all over the world.

## LIMITED EDITIONS

In six stunning new collectable limited editions Philip first turns our attention to the wonders of the sky, where the otherworldly northern lights paint the heavens in a spectrum of colour and light, and where mountain peaks soar majestically, before bringing us back to land on beautiful beaches that glow with the reflection of the skies above them.
